SUBJECT: Notice of Correction: Follow-Up to Important Notice of April 9, 2010

After distributing the Security Officer Training Curriculum Guide with the Important Notice of April 9, 2010, we discovered a minor error in the Guide on Page 7. Although the list of topics and corresponding examination questions for Course B correctly shows the total as 70, the sentence above incorrectly references "100 questions." The Curriculum Guide has been corrected on our website and a corrected Page 7 has been added to the Important Notice mailed April 9, 2010.

I apologize for any inconvenience or misunderstanding this may have caused.
